

MASTERMIND GROUP PRINCIPALS

I Release - I release myself to the MM because I am strong when I have others to help me.

I Believe - I believe the combined intelligence of the MM creates wisdom far beyond my own.

I Understand - I understand that I will more easily create positive results in my life when I am open to looking at myself, my problems, and opportunities from another's point of view.

I Decide - I decide to release my desire totally in trust to the MM and I am open to accepting new possibilities.

I Forgive - I forgive myself for mistakes I have made. I also forgive others who have hurt me in the past so I can move into the future with a clean slate.

I Ask - I ask the MM to hear what I really want; my goals, my dreams and my desires, and I hear my MM partners supporting me in MY fulfillment.

I Accept - I know, relax, and accept, believing that the working power of the MM will respond to my every need. I am grateful knowing this is so.

Dedication and Covenant - I now have a covenant in which it is agreed that the MM shall supply me with an abundance of all things necessary to live a success-filled and happy life. I dedicate myself to be of maximum service to the world and my fellow human beings to live in a manner that will set the highest example for others to follow and to remain an open channel of God's will. I go forth with a spirit of enthusiasm, excitement and expectancy.
